Thank You for a Record-Breaking GivingTuesday

November marked the Foundation's 10th year in a row participating in GivingTuesday, a global generosity movement that falls the Tuesday after Thanksgiving. We set an ambitious goal to raise \$30,000 between November 27 – December 3, and our supporters showed up big time! **165 donors** gave a total of **\$37,559 USD**, making this the Foundation's most successful GivingTuesday to date. Thank you to everyone who contributed to our GivingTuesday fundraiser. Your donations directly impact the scope and scale of our 2023 initiatives.

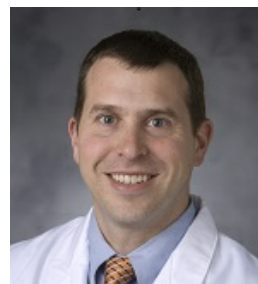

The Foundation would like to recognize a group of donors we are calling our GivingTuesday champions, whose contributions totaled over \$8,000. Thank you very much to **Karla Kurrelmeyer, MD, FASE; Jennifer Liu, MD, FASE; Bharatbhusan Patel, RDMS, RVS, RDMS, FASE; Neha Soni-Patel MEd, BSME, RCCS, RDMS (AE/PE), FASE; and The Patel Family Foundation.**

Announcements

Donations in Memory of Gregory Tatum, MD, FASE

Last month, we lost a dedicated member of the ASE Foundation Board of Directors, **Gregory Tatum, MD, FASE**. Dr. Tatum was a long-time ASE Foundation volunteer, supporter, and friend to many. He led the Foundation's global health outreach events in Kenya and served as a key member of our Vietnam outreach teams as well. To honor his legacy, the Foundation is accepting donations towards our **2022 Annual Appeal** made in his memory. We will allocate these contributions to Global Health Travel Grants in his memory, to give others the chance to follow in his footsteps in ASEF outreaches. **As of December 10, 92 people have donated \$31,904.94 in his memory.** If we raise **\$35,000 by December 31**, the Foundation will establish an endowment in Dr. Tatum's name that will offer travel grants over multiple years.

ASE 2023 Dues Renewal

Your 2023 ASE membership renewal includes a suggested donation to the ASE Foundation's Annual Appeal. We encourage you to accept this donation when renewing your membership. If every member donated \$20, we would raise almost \$300,000!

Final Chance to Donate to the 2022 Annual Appeal

The last day to contribute to the 2022 Annual Appeal is December

31, 2022. We are incredibly close to reaching our \$225,000 goal. As of December 10, we have raised 97% of our goal with a total of \$219,301.34. ASEF offers many different ways to give to match your financial needs. For example, if you don't have dollars to spare but have appreciated securities (long-term stocks), you can gift them to the Foundation. Gifts of appreciated securities can mean tax savings for you. Learn more about all the donation options available [here](#).

As you consider your 2022 year-end charitable contributions, learn about the numerous ways you can give to the ASE Foundation [here](#).

We hope you have a safe and happy holiday season!
