### 2022 Annual Appeal

Happy New Year from the ASE Foundation! We are ecstatic to start 2023 after such a successful 2022 Annual Appeal. We are thrilled to announce that we received over \$266,000 from more than 2,500 donors last year. The continued support from our donors is overwhelming, and we are grateful for you. Thank you for making last year such a success. We are looking forward to what 2023 has in store!

## Announcements

### 14th Annual Research Awards Gala

The Foundation will be hosting its 14th Annual Research Awards Gala during ASE's 2023 Scientific Sessions this June in National Harbor, MD. The theme of the event is **All the Colors of the World** and attendees are encouraged to dress in formal attire showcasing their personal heritage and culture. The Gala will be held **Sunday, June 25, 2023, 6:30 – 11:00 PM ET**. *Registration for this year's Gala will open in February.*

## 2023 ASE Foundation Funding Opportunities

Contributions to our 2022 Annual Appeal directly support the following opportunities. Keep an eye on future ASE Foundation newsletters for additional opportunities as they are announced!

### Arthur E. Weyman Young Investigator's Award Competition

Young investigators under the age of 40 who are no more than five years from the end of their training are eligible for this annual competition supported by the National Board of Echocardiography (NBE) in honor of their first president, **Arthur E. Weyman, MD, FASE**. Four finalists will be selected to present their research to a panel of experts during the **ASE 2023 Scientific Sessions**. Each finalist will receive \$1,000 complimentary registration and a travel stipend to attend the meeting. The competition winner will be awarded an additional \$500 and be invited to present his/her research at the 2024 European Association of Cardiovascular Imaging and Japanese Society of Echocardiography meetings.

*Investigators must submit an abstract of original research to ASE 2023 to be eligible for consideration. **Abstract submission closes February 8, 2023.***

### Brian Haluska Sonographer Research Award Competition

Sonographer (non-physician) investigators who served as the primary investigator on their original research project are eligible for this annual competition sponsored by the ASE Foundation in honor of **Brian Haluska, PhD, MSC (HONS), RDCS, AMS, FASE**, and his incredible contributions to sonographer-led research over the course of his career. Four finalists will be selected to present their work to a panel of judges during the [ASE 2023 Scientific Sessions](#). Each finalist will receive complimentary meeting registration and a travel stipend to attend the meeting. The competition winner also receives a \$500 award. *Investigators must submit an abstract of original research to ASE 2023 to be eligible for consideration. [Abstract submission closes February 8, 2023.](#)*

### **Top Investigator Travel Grants**

A group of early career abstract presenters will be selected by the 2023 ASE Scientific Sessions Abstract Chairs based on the scientific merit of their research projects to receive \$1,000 travel stipends to attend the [ASE 2023 Scientific Sessions](#). The **Alan S. Pearlman Research Award**, established in honor of **Dr. Pearlman's** ten years of service as JASE Editor-in-Chief and supported by a grant from Elsevier, Inc., recognizes the investigator with the highest scoring research project. *Investigators must have an abstract of original research accepted for presentation at ASE 2023 to be eligible for consideration. [Abstract submission closes February 8, 2023.](#)*

### **TOMTEC Innovator Research Travel Grant**

Supported by a grant from TOMTEC Imaging Systems, this annual \$4,000 award is given to assist a promising young researcher presenting his/her work at the [ASE 2023 Scientific Sessions](#). Application is open to investigators under 40 years of age who have an abstract accepted for publication in one of the following research categories: novel technologies (3D, Doppler, or strain), valvular heart disease, or ventricular function. *Investigators must have an abstract of original research accepted for presentation at ASE 2023 to be eligible to apply. [Abstract submission closes February 8, 2023.](#) Accepted abstract presenters will receive instructions for application in their March 27, 2023, acceptance notifications.*

### **ASE Council Travel Grants**

These travel grants are part of an ongoing effort by the Foundation and the Council Steering Committees to encourage trainees in cardiovascular specialties to focus on the respective echocardiography subspecialty and to recruit enthusiastic new members to the Councils. The Foundation is funding \$1,000 Council Travel Grants for trainees to support their travel to attend the [ASE 2023 Scientific Sessions](#). *[Application opens February 1, 2023.](#)*

### **Alan D. Waggoner Sonographer Student Scholarship Awards**

The Alan D. Waggoner Student Scholarship Award is given to sonographer students enrolled in CAAHEP accredited educational programs who exhibit a passion for the discipline of echocardiography and demonstrate leadership abilities. Selected students receive a \$1,000 scholarship, as well as complimentary registration and a travel stipend to attend the [ASE 2023 Scientific Sessions](#) in June. The **Katanick Student Scholarship Award**, established in honor of **Sandy Katanick, RN, RVT, CAE**, for her over 25 years of service as CEO of the Intersocietal Accreditation Commission, recognizes the highest-ranking student scholarship applicant. *Nominations now closed. Recipients will be notified in February 2023.*

### **Feigenbaum Cardiovascular Sonographer Student Travel Grant**

Supported by a grant from Elsevier, Inc. to honor **Dr. Harvey Feigenbaum's** commitment and tenure as the former JASE Executive Editor, this award provides \$1,000 and complimentary registration to assist a student in a CAAHEP cardiovascular ultrasound

program to attend the [ASE 2023 Scientific Sessions](#) or another 2023 ASE-sponsored educational program. The winner will also receive a one-year student membership in ASE. *Nominations now closed. The recipient will be notified in February 2023.*
