March Games

The ASE Foundation is hosting its first ever [March Games](#) fundraiser from **March 1 – April 2**. Four ASE Council Steering Committees and Specialty Interest Groups are competing to raise the most money for ASEF! Does your team have what it takes? Support your team of choice between March 1 – April 2 by donating online at ASEFoundation.org/March-Games.

Let's hear it for the teams!

Emerging Echo Enthusiasts (E³) Specialty Interest Group
Cardiovascular Sonography Council Steering Committee
Circulation & Vascular Ultrasound Council (CAVUS) Steering Committee
Interventional Echocardiography Council (IE) Steering Committee

March is not only host to the National Collegiate Athletic Association's Men's and Women's Basketball Championship Tournaments, it's also **Women's History Month**. When you make your donation, we encourage you to think of the women in your life who have supported you, whether personally or professionally. Make your donation in honor or in memory of an important woman in your life.

Get in on the competition, honor a woman who has impacted you, and kick start our 2023 Annual Appeal with a [donation](#) this month!

Announcements

14th Annual Research Awards Gala

Registration for the Foundation's 14th Annual Research Awards Gala is now OPEN! The ASE Foundation cordially invites you to attend the ["All the Colors of the World" Gala](#), our premiere fundraising event, to honor [ASE's 2023 award recipients](#) and celebrate cardiovascular ultrasound research. Join us Sunday, June 25, at the Gaylord National Resort in National Harbor, MD, for a wonderful evening of entertainment, dinner, and dancing. Attendees are encouraged to wear formal attire showcasing your personal heritage and culture

Questions about the Gala? Please email Gala@ASEcho.org. Tickets will not be available on site.

ASE Council Travel Grants – Now Accepting Applications

ASE member trainees are invited to apply for an [ASEF 2023 Council Travel Grant](#) to support their attendance at the [ASE 2023 Scientific Sessions](#). These grants are part of an ongoing effort by the Foundation and the Council Steering Committees to encourage trainees in cardiovascular specialties to focus on the respective echocardiography subspecialty and to recruit enthusiastic new members to the Councils. Full application details available [here](#). Application closes **April 15, 2023**.

The graphic features a bright orange suitcase with a black handle and wheels, positioned on the right side. To the left of the suitcase, there is a stylized city skyline in orange and yellow, including a prominent tower. Above the suitcase, a blue airplane is shown flying towards the right. The background is white with light blue clouds. The text 'ASEF Council Travel Grant Applications NOW OPEN!' is written in a bold, sans-serif font, with 'ASEF' in orange and the rest in black. Below the text, a question asks if the reader is a trainee in cardiovascular ultrasound interested in attending the ASE Scientific Sessions. At the bottom left, there is an orange button with white text that says 'Click here to learn more and apply today!' and a black mouse cursor pointing at it.

ASEF Council Travel Grant Applications NOW OPEN!

Are you a trainee in cardiovascular ultrasound interested in attending the ASE Scientific Sessions?

New Donation Category

The Foundation is proud to announce a new donation category to which donors can allocate their contributions: **Cardiovascular Sonographer Leadership Development**. This initiative aims to provide support for sonographer members volunteering in leadership positions within ASE and ASEF. Institutional support continues to dwindle for sonographer travel and volunteer service time, therefore donations to this initiative will be used to provide travel stipends for attendance at the [ASE 2023 Scientific Sessions](#) to help reduce that financial barrier. We hope sonographer leaders feel encouraged to get involved and lend their voice and talents to the continued growth and development of ASE.

Congratulations to the 2023 Scholarship & Travel Grant Award Winners

Please join us in congratulating this year's student scholarship and travel grant recipients! We are honored to foster the next generation of cardiovascular ultrasound professionals and know they all have a bright future in echo.
